ADVERTISE Your Good Things

Many a limping business is kept from healthful development by the morbid aversion of one of a firm's members to publicity—perhaps he is honestly so conscious of the excellency of his wares that he expects the world to search for them. But the busy world hasn't time, so if you have a good thing to sell proclaim it from the house-tops. The world wants good things, but it can't find them in hiding places. Bring them into the market place.
